### Job Placement

---

Once you have successfully completed our training program and satisfied the eligibility criteria, we will help you prepare for your job interview and connect you with employers and recruiters in the industry for an internship.

---

### Professional Certification Exams

---

If you wish to write your professional certification exam, our courses are designed to meet the curriculum requirements of the Standard Professional Certifications in the Industry. Please check with us for supported certification exams. For .Net Software Developers, we support MCSD.

---

### What certification do I get?

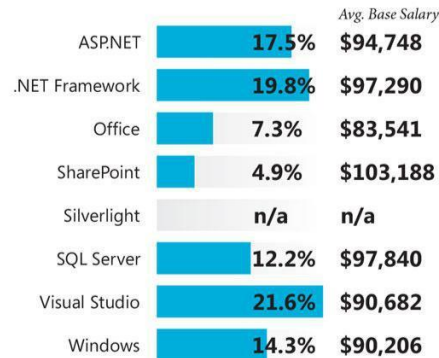

---

You will be provided with a certificate of participation, which by no means is replacement of a degree or diploma. We expect you to write the Professional

Certification Exam for proving your credentials to the employer, if needed.

### Salary by Microsoft Technology Expertise

*What Is Your Primary Area of Technology Expertise (Have Product Knowledge and Work with on a Regular Basis)?*

---

### Full-Time or Part-Time

---

We offer training opportunities for full-time students as well as part-time students. A weekend schedule is available for students working during weekdays.

---

### Registration

---

If you sign up for all the courses in programming, you can save 20% on fee.
